MEET OUR DISTRICT: *passionate, caring and dedicated staff*

The Enterprise School District is home to about 400 students and is served by 31 licensed and 22 classified staff members. The elementary school and high school reside on the same campus, which provides a unique opportunity for collaboration and a unity between students and staff. The small class sizes provide students with a high level of support from staff.

Rated # 11 by U.S. News and World Report Magazine out of 78 Oregon High schools surveyed in 2017, Enterprise HS was awarded a Silver Medal of Excellence based on our state-required tests and how well we prepare students for college.

In November 2020, the Enterprise community passed a \$4 Million general obligation bond to repair and update District facilities, improve accessibility, improve safety and security, and modernize the science classrooms and Jr. High locker rooms. The District also received a \$4 Million State grant from the Oregon School Capital Improvement Matching Program, bringing the project total to \$8 million.
